Client Stretching & Strengthening Videos
DISCLAIMER**

The purpose of these videos, produced by Georgia Veterinary Rehabilitation, Fitness & Pain Management, is to complement the verbal and written instructions we provide to our clients for performing at-home exercises with their pets who are GVR patients.

These videos are for the sole use of GVR clients and their pets who are GVR patients, and should not be used by any other parties. The videos should not be reproduced, downloaded or shared, nor should they be posted on any online or social media sites (i.e., YouTube, Facebook, blogs, etc.).

If, as a GVR client, after viewing the videos, you are unsure how to perform an exercise we have prescribed for your pet, please stop the exercise and contact us to receive proper instruction.

By logging in to this section and reading the above, you agree that you accept these terms.
